

# Top 4 Genres sold in terms of Money

As data shows, the top four Genres that are sold in terms of money Are (Rock, Latin, Metal, Alternative & punk) respectively.

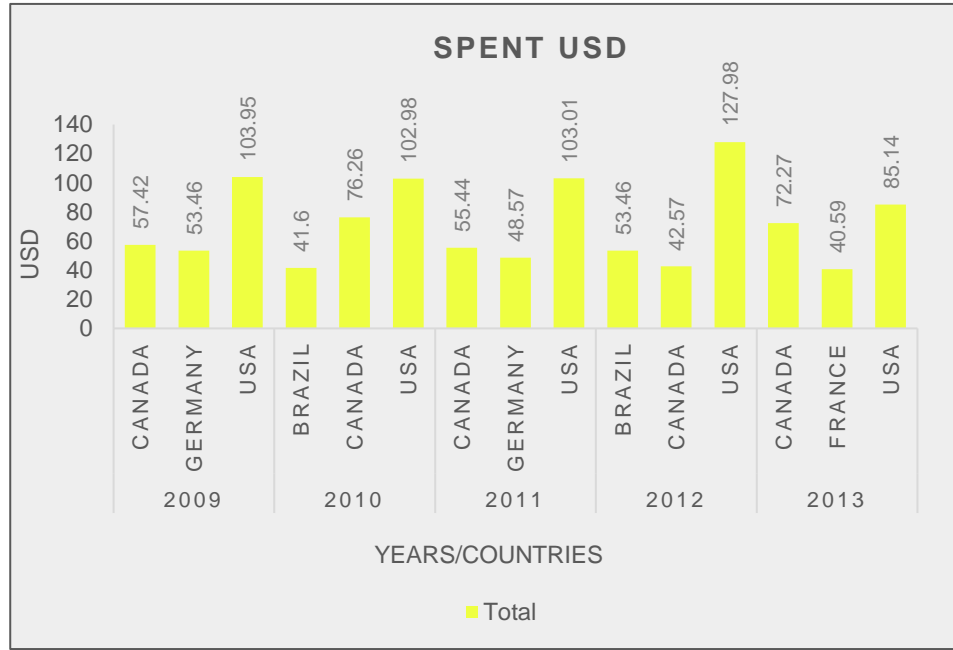

Also, it is noted that Rock genre alone is nearly twice the remaining top three combined in terms of money and quantity

# Who are the top 5 paying customers?

Well, As data shows, the most paying customer name is Helena Hola, spending a total of 49.6 USD. While the 5<sup>th</sup> paying customer is Hugh O'Reilly, spending a total of 45.62 USD.

# Most Three countries spending the most each year

The USA seems to be the most country associated with total sales from 2009 till 2013, Canada seems to be the 2<sup>nd</sup>.

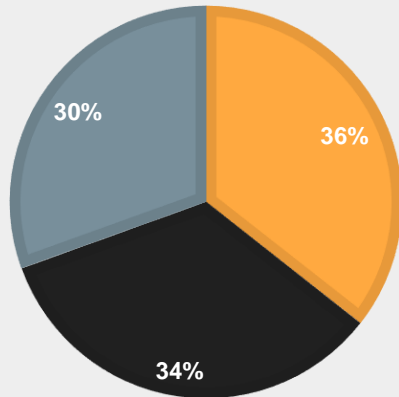

While the 3<sup>rd</sup> place has either Brazil, Canada or Germany

Investing in Europe and America seems was a good choice

# Most Active employee in terms of customer numbers

## PORTION OF CUSTOMERS

■ Jane Peacock ■ Margaret Park ■ Steve Johnson

According to the data, Jane Peacock has the largest portion of customers with 36 %.

This doesn't necessarily mean that he is the most employee with highest sales !!

But sure, he is an active employee
